- **Show Dates:** Saturday 21 July & Sunday 22 July 2018
- **Breakdown:** Sunday 22 (from close of show) to Wednesday 25 July 2018
- Breakdown can commence after the show closes (**only once all visitors have left the park and announcements have been given**) and must be finished by 10pm. This can then be continued on Monday 23 July 2018 from 08:00am. No infrastructure, stock and other belongings is permitted to be in place after 12 noon on Monday 23 July 2018. If the Exhibitor fails to clear the said area, the Organisers will hold deposit fees as a result of failure to comply with these rules, charged to the exhibitor.

## 3. Trading hours (timings subject to change by the Organisers)

Trading hours for 2018 will be from **12 noon – 8pm** on both days. However, all traders and concessions are required to operate a 'soft close' at **7:30pm** on both days. All queues are to be closed off and no further food is to be cooked. Any concession trading after 8pm will not be permitted to trade for the rest of the show and potentially for any other future shows produced by The Organisers.

## 4. Trading of goods

Exhibitors must only sell goods specified in their application. Stalls are priced on the basis of the products that the trader states they are going to sell on menus and/or product lists. Any changes to menus/product lists must be made in writing to the Organisers before the deadline date on the application form. All applications will be non-refundable, non-changeable and non-transferable after this time. The Exhibitor is contractually obliged to sell goods and products outlined in their application only. Exhibitors selling products that are not agreed with the Organisers in advance will be asked to cease trading and may result in the forfeiting of your stand and legal rights to trade at the show.

## 5. Trader and Exhibitor Deposit

In order to exhibit/trade at the Show, all must pay a Trader and Exhibitor Deposit in advance of the show commencing. The aim of this bond is to help us achieve our goal of leaving no trace and reducing our waste management costs. Wherever possible we aim to reduce the amount of waste being left on site, as well as coming on to site in the first instance. If waste can't be reduced, then we must aim to recycle as much as possible and reduce the amount going to landfill.

**The following fees are applicable in 2018:**

**£100 bond for non-food traders/exhibitors | £200 for food traders**

Exhibitors will forfeit their Deposit in part or in full if one of the following incidents occurs. All charges are at the discretion of the Organisers.

- The use of non-compostable food packaging (food related traders only)
- Non-compliance with our sustainability standards as outlined in clause 6

Before leaving the Show on Sunday 16 July, all Exhibitors must sign out with their appropriate Trader Zone Manager. This is to ensure that all pitches are left with no trace. During the course of the Show, all Exhibitors will be placed in official self-policing groups with one another to ensure all back-of-house areas are kept clean and waste is disposed of in the appropriate bins provided. This also applies to all grey water disposal. If a group has failed to adhere to any of the terms outlined, all Exhibitors within that group will forfeit part or all of their Deposit. If all terms are adhered to, Deposits will be refunded to Exhibitors post Show and no later than Friday 24 August 2018.

However, to facilitate an effective layout of the Show and if the Organisers believe it to be in the best interest of the Show, the Organisers have the right to make a stand space reallocation at any time provided that the reallocated stand space shall not be more than 10% greater or less than the stand space which has been booked.

## 8. Payment

Full payment of your pitch and all additional commodities must be made within **7 days** of official acceptance. **Non-payment of stalls and commodities after this time will result in your pitch being re-allocated.** There are no exceptions to these conditions.

Payment can be made online by credit or debit card only. There is no charge for paying by debit card, but all credit card payments will incur a 1.65% transaction charge. Further information will be sent to you within your official acceptance email.

## 9. Cancellation

Once a pitch has been allocated by the Organisers, an Exhibitor reducing or cancelling their application for that pitch less than 8 weeks prior to the show will be liable for 50% payment. Exhibitors cancelling space less than 4 weeks prior will be charged the full rate.

## **10. Abandonment and limitation**

In the event of any abandonment, postponement or limitation of the use of the Show premises or any of the services provided therein, resulting from unforeseen circumstances or intervention by an outside authority, or by a decision found necessary by the Organisers, an Exhibitor or their agent or contractors shall have no claim against the Organisers in respect of any resulting loss or damage and the Exhibitor's liability under this contract shall not be reduced.

Every Exhibitor should occupy the space allotted during opening times. Should the Exhibitor fail to display during these times, the Organisers reserve the right to deal with their space as they see fit. Every stand must be adequately staffed during the opening hours of the Show. The Organisers and any other person either authorised by the Organisers or having an interest in the premises, shall without notice be entitled to access at all reasonable times before, during and after the Show to the Exhibitor's stand and for this purpose the Organisers or any person shall be entitled to use such force as may be necessary without incurring any liability whatsoever to the Exhibitor.

## **12. Sub-contracting or sub-letting**

The sub-contracting or sub-letting of any stall or a part of stalls by Exhibitors is strictly prohibited unless a written confirmation has been obtained from the Organisers. Anyone in breach of this condition will be removed from the event and the contract will be terminated with no refund.

## **13. Roving traders**

Exhibitors are strictly prohibited from actively having roving traders selling products or services around site without prior written consent from the Organisers. Anybody caught breaking this rule will be issued with a written warning. Continued selling of items through roving traders will result in immediate closure of your stall for the remainder of the show. This can result in the Exhibitor receiving a ban on trading at any other future events produced by the Organisers.

## **14. Wristbands**

Wristbands will be ready for collection from the designated accreditation point on-site. Exhibitors will be sent accreditation details two weeks prior to the show. Wristbands are for the use of your stand personnel only for the event days and are not required for the build and breakdown days. Your wristband will act as a security pass at the event and will identify stand personnel to event visitors. It should be worn at all times during event days.

## **15. Installation and dismantling**

The arrival, installation and removal of stands must conform to the timetable issued by the Organisers (see Clause 1.2). Exhibitors must arrange and pay for the conveyance of goods to and from their stand space in the Show and for their installation and subsequent removal and disposal. Any property remaining after the end of the breakdown period (see Clause 1.2) may be removed and sold or otherwise disposed of by the Organisers at the Exhibitor's expense. No exhibit shall be packed, removed or dismantled prior to the closing of the Show without written permission from the Organisers. If the Exhibitor acts in breach of this provision they shall pay the Organisers, by way of compensation for the detraction to the Show's appearance and in addition to all sums otherwise payable to the Organisers under these Terms and Conditions, a sum equal to one third of the total amount payable by the Exhibitor for their allocated stand space.

## 16. Waste management

Litter and recycling teams operate at the event. As well as collecting your sorted rubbish from the backs of your stalls, they will be in contact with you to check that we are all working towards a litter-free and environmentally friendly event. Colour coded waste bins will be provided to divide recyclables appropriately.

Food traders must use compostable cutlery, food packaging and cups. The use of plastics, polystyrene and environmentally unfriendly disposables will be liable for charges with the aim of prohibiting non- recyclable waste at the Lambeth Country Show.

Before leaving the Show on Sunday 22 July, all Exhibitors must sign out with their appropriate Trader Zone Manager. This is to ensure that all pitches are left with no trace. During the course of the Show, all Exhibitors will be placed in official self-policing groups with one another to ensure all back-of-house areas are kept clean and waste is disposed of in the appropriate bins provided. This also applies to all grey water disposal. If a group has failed to adhere to any of the terms outlined, all Exhibitors within that group will forfeit part or all of their Trader and Exhibitor Deposit. If all terms are adhered to, Trader and Exhibitor Deposits will be refunded post Show and no later than Friday 24 August 2018.

## 17. General stand requirements

Exhibitors must comply with the requirements of the management of the Venue – all Exhibitors are deemed as having notice of such requirements and regulations and bound thereby. Exhibitors must not display their goods so that, in the opinion of the Organisers, they distract or impede the view along open spaces or inconvenience other Exhibitors. Whilst every care is taken to ensure that stand spaces are of the dimensions stated at the time of accepting the Exhibitor's application for space, the Organisers shall not be liable for any variation that may occur. Exhibitors and/or their contractors are responsible for checking the accuracy of the marking out of their agreed stand spaces prior to the show commencing.

If it appears to the Organisers that the Exhibitor may be engaged in activities which are deemed to be contrary to the best interests of the Show, unethical or to be in breach of the law, the Organisers may, without being under any liability to refund or abate any charges paid or due herein, cancel any stand space allocation which may have been made to the Exhibitor and require the Exhibitor to immediately vacate the stand space allocated to them and refuse the Exhibitor the right to participate further in the Show.

The Organisers reserve the right in their absolute discretion to exclude or remove from the Show any person whose presence is or is likely to be undesirable. The Organisers may exercise this right, even if a person is an employee, agent or contractor of an Exhibitor that is in any way connected or associated with them.

## 20. Approved sound systems in stalls

Music sound systems for public listening are not permitted on any stands. Small radios and/or sound systems are permitted in back of house areas only, as long as they do not intrude on neighboring Exhibitors. Exhibitors are offered the opportunity to apply for a public music license upon application. Licenses are issued at the discretion of the Organisers.
