Once upon a time at
Lambeth's Country Show 2020...

...a huuge
African
Tree Snail
greeted
Lisa and
Scarlet at
the entrance.

They closed their eyes
and wondered-

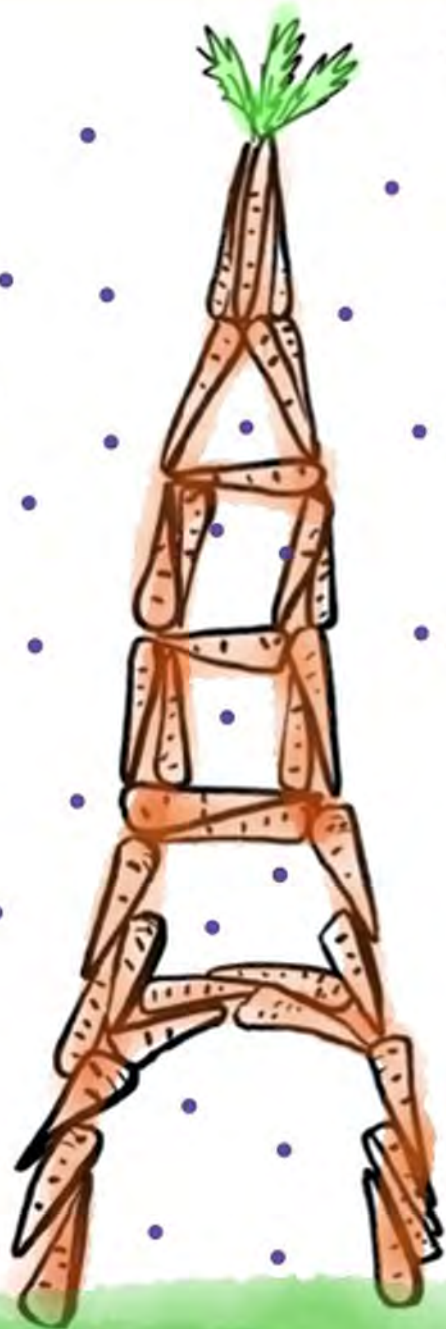

- What would
such a
huuge
shail
possibly
like
to eat?

Ahaaaaah -
lettuce leaf!

So they asked the snail for a ride to
the Incredible
Edible tent...

... where they
found lettuce
for the snail,
and...

... a carrot Eiffel Tower, and...
a pumpkin carriage
pulled by a turnip mouse.

Scarlet and Lisa suddenly felt
very hungry and decided to have
a BBQ. But they didn't have
any fuel!

So they thought...
And thought...
and ahaaah!

They ran to the City Farm tent and asked a horse
for hay, and a camel for dung, enough to
build a BiiiG BBQ!

Luca lit the hay with a match and
- presto! the camel dung sizzled
and a blazing BBQ was soon ready
for cooking on.

Now, all they needed
was food and drink -
enough for over a
hundred thousand
people!

Friends arrived with goodies to share: chicken sausage,

baba ganoush

sweet potato

burgers

lettuce, cucumber, potato salad,

ripe pineapples

coconut rice,

lasagne Contucci!

cold sparkling water

creamy coleslaw

mint

baked potatoes

fresh salad

And a special party punch

with:

home made lemonade

pomegranate juice

liquidised doughnuts

whipped cream

lemon and good strong tea with milk and sugar

Sharon fruit

chocolate cake

extra large pieces of smokey jerk chicken and sweetcorn

iced tea

prune juice

apple & pineapple juice

fizzy root beer

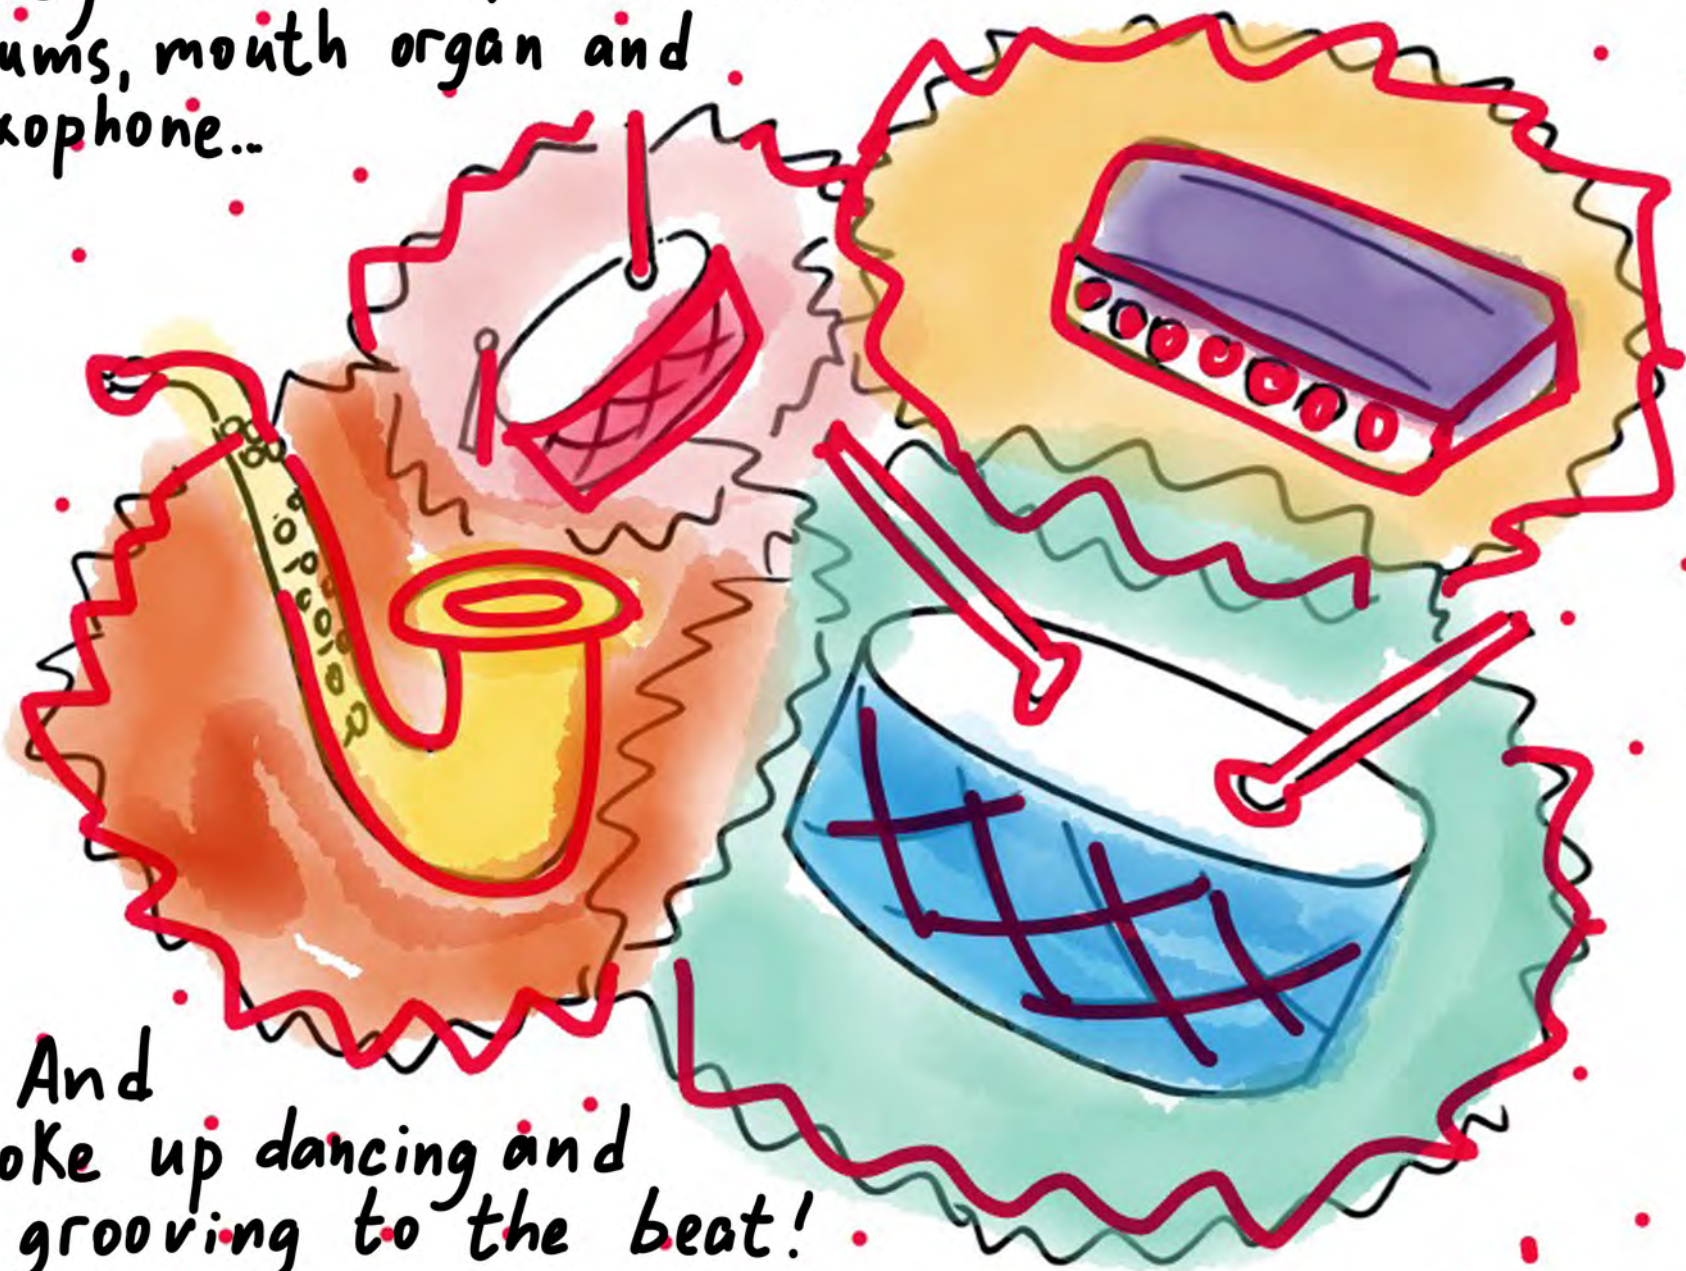

vodka and Chuckle Head cider!

Everybody ate and drunk so much that they lay down on the grass to snooze in the shade of a tree- where the huuge snail hung out.

They dreamed of music with
drums, mouth organ and
saxophone..

... And
woke up dancing and
grooving to the beat!

They all joined up
and conga'd in a loooong
winding line all the way
to the loos! - Yahooooo!

Then of course - everyone wanted ice cream.

Luckily, the huuge tree snail
had a secret ice cream
compartment in its shell-
with enough
ice cream
for everyone.

Mmmmm!

Delicious...

Thank you very much, Lambeth Country Show!
